Table 3. Partner's Comments

Partner HEI	Comments
 <p>BTU</p>	<p>We often use in our Bilateral ERASMUS+ Agreements the „not further defined“ fields in order to have a flexibility in the student/staff exchanges and are not forced to draft separate contracts for each individual field (e.g. 0410 Business and Administration means that we allow exchanges in all related study fields and modules offered at BTU).</p>
 <p>UPHF</p>	<p>ISCED 1014 is something we use here, as we have both undergrad and grad studies within Sports Management, Sport-related biomechanics and kinesiology, etc. [...] these fields may be included in other ISCEDs</p>
 <p>UVA</p>	<p>Code 0419 'Business and administration, not elsewhere classified' is not in use in Finland anymore.</p>
 <p>KAU</p>	<p>We often use general codes to include several individual subfields, e.g. 041 includes 0411-0414 to allow for flexibility.</p>
